PORT GINESTA MULTIHULL FRIENDLY MARINA

Port Ginesta has made a strong effort to improve its already excellent services, thinking especially in the catamarans that wish to have their base in the Mediterranean Sea. Port Ginesta has launched an exclusive pontoon for catamarans, with an innovative design and perfectly prepared to offer special services to the catamaran owners. The port is prepared for long and short stays and it will also offer in its dry dock an innovative system, which will be available soon, capable of moving out catamarans up to >70 feet in length and >40 TN in weight. Your catamaran will be able to be in dry dock during specific maintenance work, major repairs or winter storage.
